8. PT Decision

If PT is purchased: assign trainer, create PT schedule and enable PT dashboard. If not: automatically start the General Member Engagement Program.

9. General Member Engagement

Assign a 45-day workout plan with Beginner, Intermediate or Advanced workout cards including warm-up, workout, cardio, core and stretching.

10. Dietician Assignment

Automatically assign the member to the in-house dietician for diet planning, meal timing, hydration and follow-up.

11. Follow-up Master

Automatic follow-ups on Day 7, Day 15, Day 30 and Day 45 to record attendance, motivation, issues, improvement and PT interest.

12. Re-conversion Master

Automatic PT review reminders on Day 15, 30 and 45 for members who have not purchased PT.

13. Member Engagement Dashboard

Show onboarding progress, BMI, trial sessions, feedback, PT counselling, PT status, workout plan, diet plan, attendance, last visit and next follow-up.

14. Trainer Dashboard

Track assigned members, pending BMI, pending sessions, feedback, PT conversion, workout assignments, dietician referrals and follow-ups.

15. Automatic Notifications

Welcome, BMI reminder, Trial Session reminders, Feedback requests, PT counselling reminder, Workout Plan, Diet Consultation and Day 15/30/45 progress reminders.

16. Member Engagement Score

Calculate an engagement score (0-100). Green: 80-100, Yellow: 60-79, Red: Below 60. Members with low scores automatically appear in Trainer and Member Coordinator follow-up lists.
